Dear Students and Parents:

Re: Regina Transit Free Child Pass

On **August 5th, 2025**, all children riding Regina Transit without a fare-paying adult will be required to have a valid **Child Transit Pass**, which must be scanned when boarding the bus. This new pass will confirm eligibility for those who ride for free and will provide valuable ridership data to ensure transit resources are allocated where they are needed the most. The pass will be available on an Umo card or through the Umo Mobility app.

Here is how you can obtain your free child transit pass:

1) Set up an Umo Account as either:

Umo Mobility app

- Download the app and create a Umo account login.

Umo reloadable card

- Pick up an Umo card from the Transit Information Centre.

If you already have an Umo Mobility app account or Umo card, your free child transit pass can be added to it, there is no need to create a new account.

2) Visit the Transit Information Centre at 2124 11th Avenue

Provide proof of age to confirm your eligibility:

- Accepted Government Issued Proof of Age Documents
 - Health card
 - SGI Identification card
 - Birth certificate
 - Any other form of Identification with your birth month and year on it

Your free child transit pass will remain valid until the last day of your birth month in the year you turn 14. After that, regular fares will apply.
