

Dear Parent/Caregiver:

To see if you qualify for bus transportation, please go to the Parent Portal at regina.firststudentinc.com and click on "Can I Ride a Bus".

For those that qualify, First Student would like to welcome you to transportation for Regina Catholic Schools. We understand transportation arrangements for your child are top of mind as the school year approaches. We have attached some important items regarding transportation services. You can also find most of these items published at www.rcsd.ca, under the Transportation tab. We encourage you to review and reference it every so often.

The attachments include:

- The Bus Transportation Guide which includes:
 - Safety guidelines for parents/guardians and students
 - Severe weather cancellation process
 - Change request information
 - Contact information for common questions and concerns
- Student behaviour guidelines
- School bus rules
- How to log into the Parent Portal

We also have an app/website called Firstview which allows for GPS bus tracking. Notifications regarding delayed buses, route changes, etc will be posted through this app with the option to receive emails. Additional information on how to access this app/website will be included in the email you receive once your transportation is approved.

First Student is the most chosen school transportation provider in Canada. The safety and security of the children we transport each day is our top priority.

On behalf of the entire team, thank you for the opportunity to serve your family and community. If you have any questions about your child's routes, bus stops, or any school bus transportation needs, please contact us via email at reginaschoolbus@firstgroup.com.
